STYLING KIT

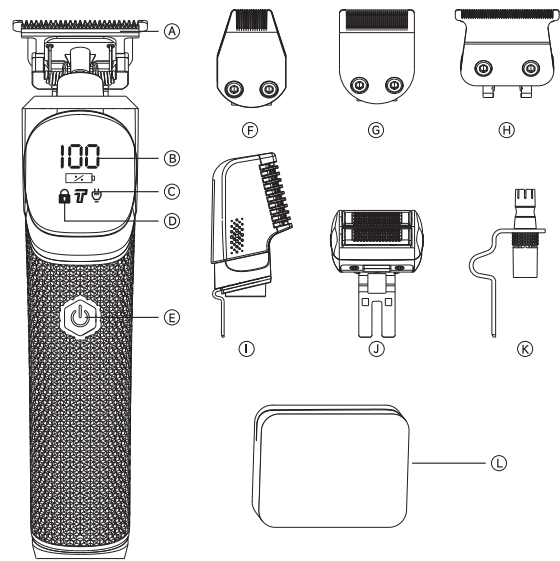

MODEL: RPC-200

1 Precautions

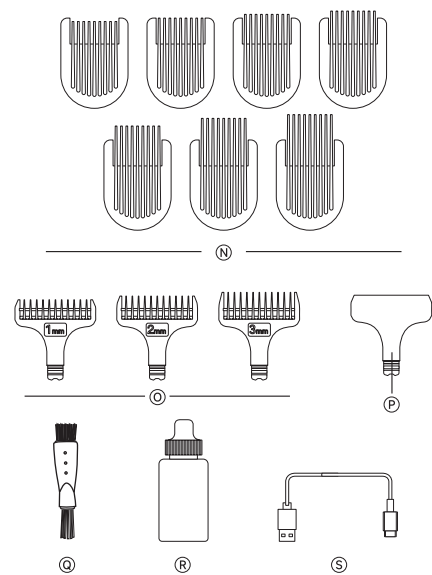

- 1.Ensure children use the product under adult supervision. When not in use, store it properly to prevent accidents caused by children playing with it.
- 2.Keep the machine in a dry, cool environment.
- 3.Do not charge the device with damaged cords or damaged power adapters.
- 4.It is normal for the machine to generate a slight amount of heat during use or charging.
- 5.Do not disassemble the product beyond the head.
- 6.Before use, inspect the blade head for any signs of damage to prevent injury.
- 7.Charge, use, and store the machine within a temperature range of 32 °F (0 °C) to 104 °F (40 °C).
- 8.Clean the machine with a soft cloth and a mild detergent; avoid using alcohol, gasoline, or harsh chemicals.
- 9.In case of abnormal conditions (such as abnormal smell, temperature, and sound) during charging or use, the power supply shall be cut off immediately and stop using it. Please handle it according to the type of fault, and submit it to the maintenance department of our company for maintenance if necessary.
