Pairing Roxel Cozy Ears with a BT enabled device

Micro-Function Button Operations

1. Press and HOLD the [•] button for 5 seconds to turn ON the Wireless headphone and enter pairing.
2. A indicator tone will be heard.The LED indicator light will alternately flash BLUE and RED.
3. Keep your Wireless headphone and BT enabled device within 3 feet of each other during the pairing process.
4. Set you mobile phone or other BT enabled device to search for Wireless headphone.

If a paired device is in range when the headphones are turned on, the headphones will connect to it automatically.

Detachable cable with microphone, It can be used as wired headphone without using battery
